Personal Purpose for engaging with the AIA horses & staff in this equine facilitated experiential learning process?

While horse experience is not essential, briefly describe your horse background.

I identify as: horse professional.....animal handler.....health professional.....program administrator.....educator.....student.....management training.... interested in stress skills.....other: specify.....

Any Special Needs and/or Mobility Issues:

I am aware that this is an "experiential workshop" – learning through doing. I know I will be discovering more about myself as I learn to work with horses as colleagues in equine guided education. I am aware that equine facilitated experiential learning process work evokes feelings and emotions and is a personal growth experience. When I return home, my support system is: 12 Step Program.....Feelings Support Group.....Individual/group therapy.....Church group.....Spiritual practices group..... Family/Friend.....Coaching.....Other.....
