

Adventures in Awareness

In the Field with the Horses of SIRE

A Seminar on Communication Skill Building

Sunday, November 15, 4:00 - 7:00 PM and Monday, November 16, 8:00 AM
- 3:00 PM, 2015

With Barbara K. Rector MA, CEIP-ED and Molly Sweeney
Join us at SIRE Therapeutic Horsemanship's scenic Hockley Texas location for an informative and enlightening seminar on Communication Skill Building with the help and guidance of our horses. Discover and explore unrecognized communication strategies through this hands on learning experience conducted in the horses' natural environment.

Registration Details:

Cost: \$250 (payable to SIRE)

To request a registration packet please contact Anthony Busacca at:
anthonyb@sire-htec.org or 281-356-7588 ext. 208

Bring a brown bag lunch on Monday. Coffee, tea, water and healthy snacks will be provided.

Wear closed toed shoes, long pants and long sleeve shirt. Sunscreen and hats are recommended.

All activities with the horses are on the ground, and do not include horseback riding. No previous riding/equestrian experience required.

The purpose off Adventures In Awareness is to expand Awareness and develop Consciousness
